The Million Women Study is a major national study of women's health supported by public funds.
(see enclosed letter and/or www.millionwomenstudy.org)

Over the past few years you have filled out one or more questionnaires to help with the study. Now we are asking for your help again. All information provided will be treated with absolute confidentiality and used for medical research only.

Any questions? Ring Freephone 0800 262 872
